RESPONSE TO OFFICE ACTION

Honorable Sir:

In the Office Action of May 4, 2004, the Examiner
states:

"Upon further review, it has been determined that the maintenance fees have not been paid. No action on the merits of this reissue application will continue while this application is based on a lapsed patent. The lapsed patent is U.S. Patent No. 5,301,941. The Official records of the PTO only show that a maintenance fee of \$510.00 for the 3.5 year maintenance fee was received on 09/29/1997 for the '941 Patent."
